

BIC 2026 Grading Judging Rubric

	IW Need	Feasibility	Viability	Impact
1	No need.	Fiscally improbable (unable to fill the manning and/or resources required).	The idea is poorly conceived or lacking in clarity and insight.	None
2	There is a limited need.	Requires significant lift (funding, manning, other resources).	The idea has clarity and insight but is not capable of working or functioning in a timely manner.	Minimal
3	Nominal need.	Manning, training, funding, and other resourcing needed	The idea is capable of working, functioning or developing adequately.	Nominal
4	There is a reasonable need.	Nominal resourcing required	The idea is capable of working, is usable, reliable and functional in its current iteration	Substantial
5	Considerable need and impact.	No additional funding, manning, or other resourcing needed.	The idea is easily capable of working and is usable, reliable and functional in its current iteration	Extensive/ Game Changing
